

## Pre-Operative Check List

To help you navigate the pre-operative process for your bariatric surgery, it is important to meet with physician specialists and other members of the Crozer-Keystone health care team. Print this handy form and use it to track your physicians' names and appointment dates prior to your surgery.

Specialty	Physician's Name	Date of Appointment
Cardiology		
Gastroenterology		
Nutrition		
Primary Care		
<b>Pre-Operative Testing</b>		
Pulmonary Medicine		
Chest X-ray		
Labs		
Sleep Study (if indicated)		
Ultrasound of Abdomen (if indicated)		
Upper Gastrointestinal Swallow
