- 40 hours of service required for the summer youth program from July – August
-

All paperwork, testing, physician notes, etc must be completed and forwarded to Volunteer Services before May 15th, 2018. Failure to complete process by May 15th may result in non placement.

Benefits

The benefits of becoming a Crozer-Keystone Health System youth volunteer extends beyond your volunteer assignment. They are:

- Meal voucher following four hours of continuous service,
- Parking vouchers,
- Educational Experience

Goals of the Program

We hope to provide you with an experience that will be beneficial and introduce you to opportunities for available careers in the medical health care field. Crozer-Keystone Health System believes that our youth volunteers contribute many valuable services. Student **must have** an agenda with a development objective which will be enriching to them.

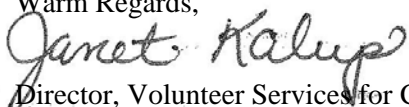

How to Apply

If you are interested in joining our team of Youth Volunteers, visit our website; <http://volunteer4.crozerkeystone.org>. Applications must be returned to the Volunteer Office by May 15. We would like the opportunity to discuss your interests, activities, previous volunteer experience, your preference for an assignment and availability.

After an assignment is agreed upon, you will be required to attend hospital orientation. This training/orientation is mandated by state law and hospital policy, and therefore the training topics of Infection Control, Patient Confidentiality/HIPAA, Fire/Safety, Age-Specific Competency, and Customer Satisfaction are required before volunteering in the hospital.

Once again, thank you for your interest in our program. We look forward to hearing from you.

Warm Regards,

Director, Volunteer Services for CKHS
